MOMENCE PROTESTANT CEMETERY

The early history of this cemetery has been lost through time; however, it is assumed that this particular section was used as a burial ground by the early residents because it is located on high ground and had good drainage. Also, according to Mrs. Hess, historian, this high ground was also used by the Indians of the area for their burials.

In July of 1870, the newly formed Momenca Cemetery Association purchased 17 acres incorporating this burial grounds located in Section 13, Township 31 North, Range 13 East from James Mix. Since then, more land has been acquired through purchase and donation until the Association now owns over thirty acres for burials.

A couple weeks prior to the original land purchase, "On June 11, 1870, in the Worcester & Lane Hall of Momenca, a meeting was held for the purpose of providing suitable burial grounds for Momenca and vicinity. A. S. Vail was chosen chairman and E. R. Kendall, secretary. Hannibal Worcester moved to organize a cemetery organization under the provision of the Statutes of Illinois. Motion carried. Whereupon, W. A. Chatfield moved to elect officers for the ensuing year. Motion carried. Whereupon, Hannibal Worcester was elected President; E. R. Kendall, secretary and treasurer; and Slocum Wilber, A. S. Vail and Wm. Astle, Trustees.

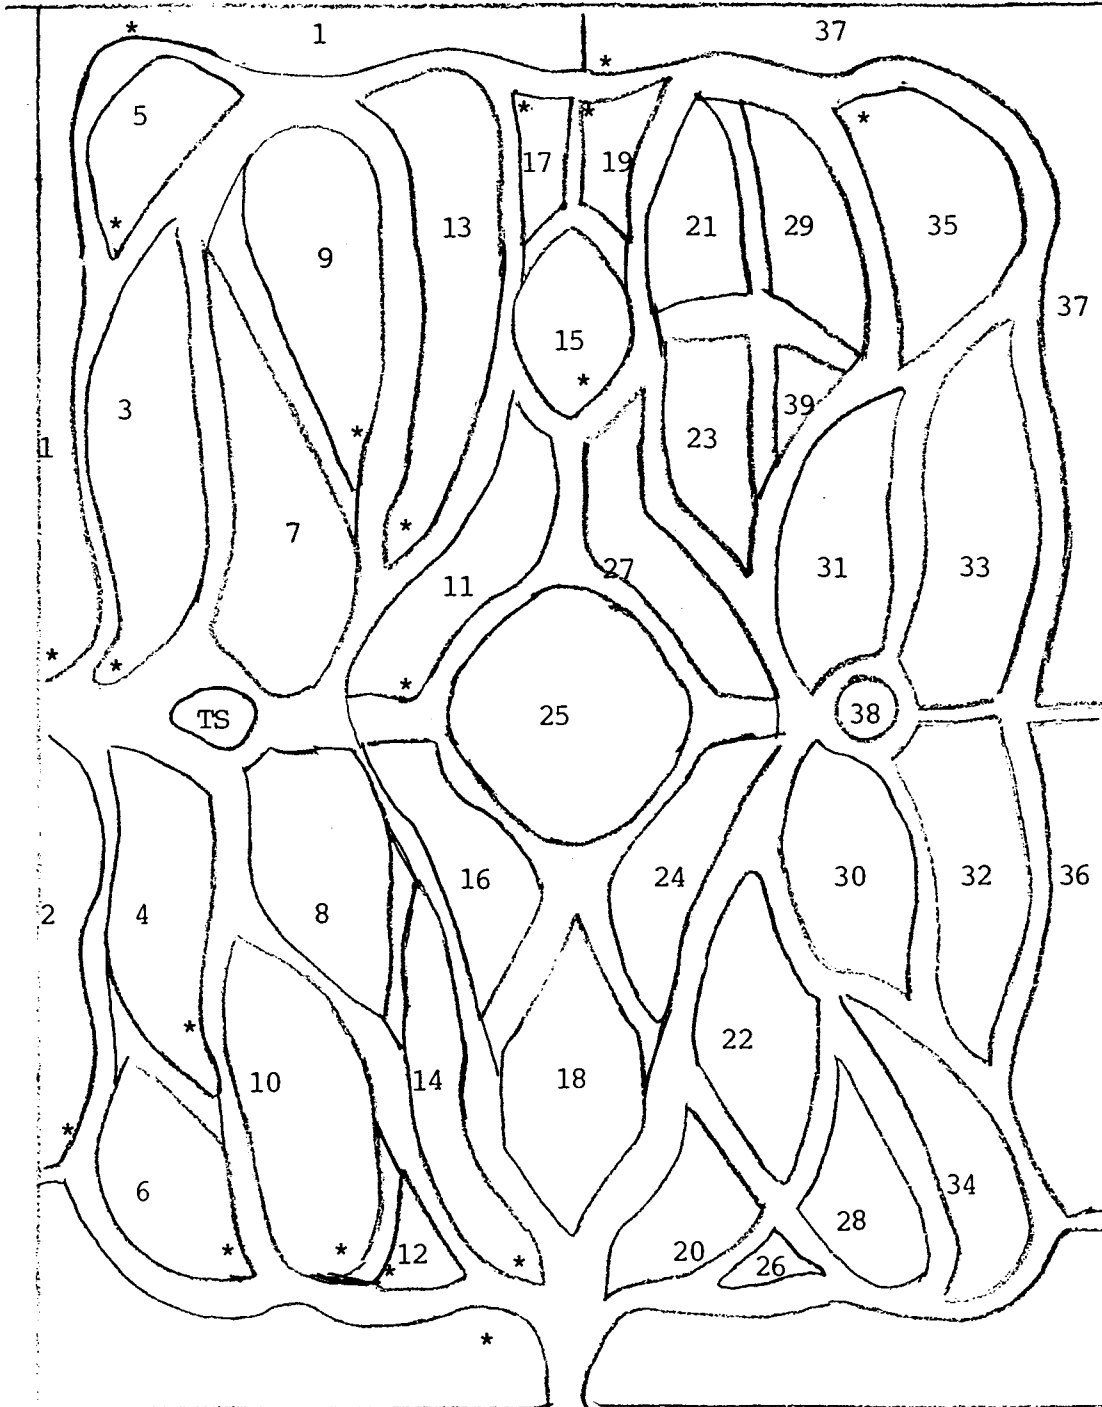

"The following article of agreement was entered into: It is hereby agreed that Hannibal Worcester, Slocum Wilber, A. S. Vail, Wm. Astle, E. R. Kendall, H. J. Ballard, F. Worcester, Y. C. Brayle, Y. Wood, Wm. Snow, S. P. Burr, R. C. Stearman, Mr. or Wm. Miller, J. B. and A. M. Griswold and such others as may become endorsers hereto as hereinafter provided and owners of in said cemetery be and are hereby created a body politic..." (copied from minutes of the organization meetings.)

From Kankakee take East Court Street (Route 17 East) straight to Momenca. (You will pick up Route 1 about 7 miles out.) Go north through town. Cross the railroad tracks. About 1/2 mile further north (right at the top of a hill), turn left (west) on Road N400E. The cemetery is located about 1/2 mile on the left side (south). Momenca Protestant Cemetery is the THIRD ENTRANCE. (The first two entrances are to St. Patrick Catholic Cem.)

The Kankakee Valley Genealogical Society published the Northeast Section Cemetery Book containing the cemeteries from Ganer, Momence and Yellowhead Townships in 1985. Prior to this publication, the Southeast Section Cemetery Book was published in 1983. After these two publications were completed, it was decided to finish the remaining books by individual townships. At that time we attended a conference on how to walk cemeteries and from then on, published all marker information in rows as they appear in the cemetery. After the remaining township books were completed in the late 1990's, it became apparent that many markers in Momence Protestant Cemetery were not included in the original publication plus many more burials had occurred since 1985. For that reason three cemetery walks were done of the entire cemetery.

It was hoped to redo the first two cemetery books by individual township but, unfortunately, that hasn't happened and the demand for cemetery books has diminished. Therefore, the society will post these updated cemeteries on their website at kvgs.org and they will be searchable by surname. The L numbers in parentheses in the "Other" column are lot numbers taken from the original records.
