## SHERBURNVILLE CEMETERY

Located in Section 30 of Yellowhead Township just a mile short of the Indiana State Line, this cemetery is also known as the Sherburnville Christian Church Cemetery. It is situated at the top of the hill behind the church at the southwest corner of the main intersection in Sherburnville.

Abiather Britton and Ancil (or Ancel) Britton arrived in this early settlement in June of 1836. In 1849 Abiather, also known as A. G. Britton, deeded the land for the church and cemetery.

The building of the Church was begun in 1860 but was interrupted by the Civil War. It was finally completed in 1886. A school was built in 1847 of split logs for the cost of \$2.80 and glass. It served as a meeting house for church services.

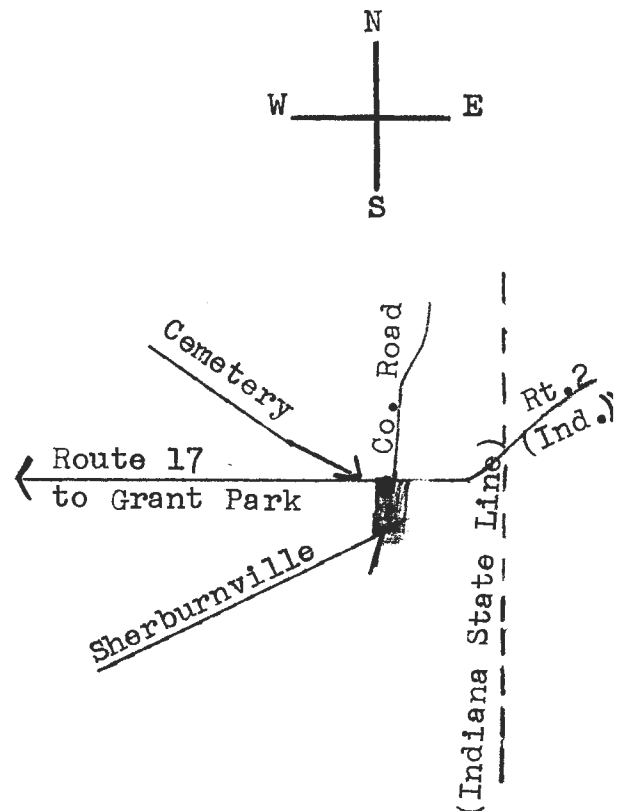

On May 1, 1901 some land was exchanged with August Jurgenson for land which was more suitable for cemetery purposes.

In 1948 the cemetery trustees received their state charter and at a later date, more land was purchased from Harry Keeney. There are now 10 ranges consisting of 20 lots per range and 5 graves to a lot. Burial is not restricted to church membership.

From Kankakee take East Court Street (Route 17 East) straight to Grant Park (going through Momence). A distance of about 18 miles. Go east through Grant Park on Routes 1 & 17 East until you come to a "T". Turn right (south) on Route 17 and follow Route 17 east to Sherburnville, IL. About 5 more miles. The cemetery will be on your right (south) as you approach the intersection in town.

- OR -

Take Route 50 North from Kankakee through Bradley about 4 miles to Road N500E (St. George Blacktop). Turn right (east) and go through St. George until you come to Routes 1 and 17 (about 9 miles). Turn left (north) and go 4 miles to Grant Park. Continue through Grant Park about 1 mile to the "T". Turn right (south) and follow Route 17 to Sherburnville.
