As Editor of the quarterly as well as

Secretary of the society, I've learned some distressing news in the last few months. It seems that letters sent to our society have not been answered for quite some time now.

For anyone who wrote our society and did not receive a reply, I want to apologize on behalf of the society. It was only late this spring that I became aware of this situation, and hopefully it has now been corrected. I have taken over the role of answering all correspondence mailed to the society, and I can assure you I will answer each and every letter as promptly as possible. If you have written in the past and given up on a response from our society, please write again. I am fully aware of how eagerly I await responses to my letters.

On another note, the society has been donated a Savin copier which we are in the process of having repaired for use in running our publications. After a review of copying and postage costs, we have had to revise prices of some of our publications. Please check the back cover of this issue for the revised costs. We feel all our publications are as reasonably priced as possible for their size and content.

DID YOU KNOW?

If you need to look for a Catholic Nun in the Soundex Census, you code the word 'Sister' as if it were her surname. Use S236 plus her religious name.

GERMAN RESEARCH

The society received a letter from Hans Joachim Hinners, Wurster Strasse 390 b, W-2850 Bremerhaven-Weddewarden, Germany, stating he does research work in the northern region of Germany, especially in the area around Bremerhaven, extending as far as Cuxhaven, Stade and Bremen. Since this area is very near the coast and the main migration ports of Germany, he feels he has access to many valuable records. In the past 10 years he has collected information from churchbooks and works in the Courthouse as a secretary. He has churchbooks for the following Years: 1715-1726, 1746, 1751, 1752, 1759-1852.

Mr. Hinners charges \$10/hour plus mileage and postage. Also, he has available an Ortssippenbuch (village lineage book) for the village of Misselwarden. The volume is 334 pages and covers 1680-1900. It is available at a cost of \$40 cost including postage (surface mail) is \$40. Air mail is \$10 extra. He has asked that only cash be sent as the German banks extract a large service fee for handling foreign checks.

HANDWRITING ANALYSTS

Handwriting Analysts and Associates will provide handwriting analysis from letters written in the original handwriting of an individual's ancestor. A complete handwriting analysis is made and an interesting personality profile can emerge that may shed new light onto the personality, behavior, character, thoughts, feelings and attitudes of ones ancestors.

Genealogists will be paid X50.00 for each handwriting sample they send in for analysts. The total fee for an in-depth analysis is \$150.00. The genealogist will deduct and keep \$50.00 as their brokers fee and remit the remainder of \$100.00 with the writing to be analyzed. Genealogists who wish a handwriting analysis for their own personal use are given an additional X10.00 professional courtesy discount and need only remit X90.00 for their report.

For accuracy, print the name of the subject, give the subject's gender, country where educated and approximate age of the individual at the time of writing. Mail a photocopy of the writing (originals should never be sent) along with the fee of \$100.00 to: Handwriting Analysts and Associates, P.O. Box 1648, Branson, MO 65616. An individually prepared typed report will be returned within 3 weeks.

NORTON NEWS - 1878

Taken from The Kankakee Gazette February 28, 1978.

Feb. 23 - Only four auction sales on the docket for next week.

Mr. T. B. Glass has leased his farm and makes a sale of stock and
farming utensils.

Mr. E. C. Mather has leased his farm to John Patterson and will sell his
stock, &c. Mr. M. will go west for the benefit of his health.

John Willis has sold his farm to Dr. Bateman, and disposes of his
personal property. Mr. Willis goes to Kansas to locate.

Died at Norton. Miss Emily Wardell, daughter of Major Wardell. Miss
Wardell is another victim of that fearful disease, quick consumption.
Funeral services will be held at the temperance hall on Sunday. The
afflicted family have the sympathy of the community in their sad
bereavement.

Farmers are beginning to hire their help for another season. Wages do
not seem to be as high as usual: \$15 and \$17 seems to be the price paid
per month for common hands.

Dr. Bateman has been making Ottawa a short visit this week.

The scheme for getting a railroad is to get farmers to glue one dollar
for each acre of land they own, or do so as soon as the road is for
cunning order, and give it to some corporation to aid in putting a road
through this town. Parties are out canvassing for this purpose now.

We attended the Catholic fair in Wilmington the eve of the 22d.
Considerable excitement to see who should have a gold-headed cane. It
cost ten cents to vote. We saw Ed. Connelly there but could not say how
much he stuffed the ballot box.

LIMIT YOUR SPENDING

and **save** the balance—that is a better way to get a start financially than to limit your saving and **spend** the balance.

With capital—reserved funds—you are ready for business opportunities which surely come to you. Remember, it is

NOT YOUR SAVING
