MCKEE & BARD

Jerome BARD came to this place, in . . . . in 1861 enlisted and went to . . . in Capt. WILLIAM's company. At the close of the rebellion he returned to this place, and first 'began working for Henry GROSSE, on the . . . side of the track, and in '68, took charge of the grocery department in MILK & POTTER's store, where he remained until '73. F. T. MCKEE settled on a farm near this place with his parents, in '63; clerked for Henry GROSSE for several years, and in '72 he and Frank GROSSE purchased the stock of Henry GROSSE, and engaged in business, which they continued till '73 when Jerome BARD succeeded Frank GROSSE. The firm has continued in business ever since. They carry a well assorted stock of general merchandise, but are now closing out preparatory to moving to Iowa.

DR. P. STEBBINS

moved from Wisconsin, in '76, and settled in Clifton, where he remained one year, when he came to this place, and has had an excellent practise ever since. His office and residence is on the east side of the railroad.

#### MRS. F. M. SMITH

established her millinery and notion store in '77. She carries a fine . . . goods, and from a small beginning has succeeded in securing a . . . patronzge. Her store is the . . . door south of the post office, . . . she will be pleased to have her . . . friends and all others wishing . . . in her line to call . . . her stock.

#### THOS. S. SAWYER

to this place in Aug. '67, . . . a office for the practise . . . in the building with J. P. H. TRESMOTT and continued there until the summer of '68, when he moved to . . . MILK's block. He has continued the practise of his profession to the present time, and by strict and . . . attention to his business has . . . a good practice, making a . . . of real estate law, and . . . business. He does a general . . . and real estate business in connection with is practise. From . . . '78, he was proprietor of the . . . Bank, and done a good . . . in that line, but sold the . . . to J. PORCH, June 11 '78, and . . . various public offices during . . . , representing the 16th . . . the Legislature, from '72 . . . '68 commenced the publication of the HERALD and has . . . with it to the present time.

#### SALOONS

Chebanse has two saloons, and it . . . that they are both kept . . . and orderly manner. Geo. . . engaged in the business in '74, and . . . continued the business up to the present time. Wm. HATTING, succeeded Mr. KAMMONN, in Februtary . . .

#### MEAT MARKETS

John FRITTON came from Ottawa, to this place, in '75, and has been constantly supplying the citizens of this place with the best steaks ever since. John is an excellent butcher.

Mr. OTT moved to this place from Kankakee, but a short time ago, and succeeded Thos. JONES, and is also highly spoken of as a first-class butcher.

#### JAMES M. BURROUGHS

In giving the present officers of the village of Chebanse, we omitted to mention J. M. BURROUGHS, Police Magistrate. Mr. B. was one of the earliest settlers, having been here over twenty-five years. For fifteen years he has been a resident of Chebanse, during which time he has worked and mainly at his trade as carpen-

ter, erecting many of our best residences. He was also in the furniture buzniss for several years with Mr. Mark MARTIN.

#### THE RURAL NURSERY

is situated about a quarter of a mile west of town, on the county line, and comprises in its area about forty acres of land, upon which is grown all kinds of small fruits, shrubs, fruit trees, bulbs, in fact every thing to be found in the catalog of a first-class Nursery. It was commenced in 1868, by B. J. WAKEMAN, who is still the proprietor. He sells about \$700 worth of berries, every year, while the sale of shrubs and trees the past year amounted to more than \$1,000. By fair and honorable dealing at all times he has built up an enviable reputation and in consequence enjoys increasing patronage. In 1880 he built a greenhouse and commenced raising bulbs and flowers of all kinds. This fall he built an addition, which enlarged it to 16x75 feet, thus enabling him to engage more extensively in the business.

#### THE CHEBANSE CORNET BAND

is an organization of which our citizens feel justly proud. It was organized in 1869, under the leadership of Fred. KENWORTHY; several years after E. J. WAKEMAN became the leader, and under his management it has continued ever since.

The boys have taken the first prize on three occasions, once at Watseka, when four bands competed for the prize, and twice at Kankakee, and they now enjoy the reputation of being the best band in either Kankakee or Iroquois counties.

(In presenting the history of Chebanse together with sketches of our business men and early settlers to our readers, it may be well to say in justice, to ourselves, that in the present history there has been much of it left out, in consequence of limited time and space, which would doubtless would have rendered it more interesting. We have aimed to give the facts just as they ocured, without comment or detail, and as to the success of our efforts we leave the reader to judge.)
