The Kankakee Valley Genealogical & Historical Society is a non-profit organization formed to bring together persons interested in genealogy. We are collecting, copying, buying and doing research of a genealogical nature to place in the Reference Room of the Kankakee Public Library for the use of our members and the general public. A card file index of surnames of members is being prepared and will also be at the library. Microfilms owned by the society are restricted to membership use only.

Vol. 4, No. 3 will be sent out in August, 1973.

UHRHAMMER FAMILY TREE  
1950

Contributed by Mrs. Kenneth Heldt

Our original grandfather, Claus UHRHAMMER, was born in 1815. In 1869 he and our grandmother, Anna, came to America.

The family settled in St. Anne, Ill., where they farmed for many years,

Our grandmother died in 1899, and was buried at St. Anne.

Our grandfather died in 1903, and was buried at Monterey, Minn.

Our grandmother and grandfather had six children - Katrina, John, Ckrist, Claus, William and Frank.

Their children and their children's children have spread the UHRHAMMER name clear across the country. They represent the branches of our great Family Tree which are spreading rapidly on.

Our grandparents were home-loving people, who lived humbly and raised their children to be honest, and hardworking.

They bore the UHRHAMMER name proudly and tried to instill the same into their children.

As a tribute to our grandmother and grandfather who worked for our respectable heritage, we ask that all the members after us, help to keep it this way.
